**I. Former Hawaii Rental Housing System Revenue Bond**

Award of Request for Proposals (RFP) No. 17-010-PPMS Affordable Rental Housing Portfolio Restructuring and Preservation was made to joint offerors Standard Property Company, Inc. and Stanford Carr Development, LLC (collectively the Buyer) on December 14, 2017. At its December 13, 2018 regular meeting, the HHFDC Board of Directors (Board) approved various modifications to the RFP award, including a leasehold purchase price reduction to \$130 million and a capital improvement plan budget increase to \$85.1 million.

On May 17, 2019, HHFDC and the Buyer closed on the leasehold sale of the portfolio properties excluding Kamake`e Vista to affiliates of Komohale LP, the entity formed by the Buyer to acquire the portfolio. The sales price for the five properties was \$100.5 million, and a portion of the sales proceeds was used to repay the outstanding tax-exempt bond debt. The Kamake`e Vista closing was delayed due to ongoing discussions with Atherton Family Foundation (Atherton) regarding: (1) requested modifications to the Residential and Commercial Apartment ground leases, primarily due to Komohale’s senior lender’s requirements; and (2) the possible purchase by HHFDC of Atherton’s leased-fee interest in Kamake`e Vista.

HHFDC acquired the leased-fee interest in Kamake`e Vista from Atherton on December 12, 2019, and staff subsequently held discussions with Komohale regarding a possible 75-year leasehold sale (vs. the approximately 37 years remaining term of the former Atherton ground leases to be conveyed per the Purchase and Sale Agreement).

At its July 9, 2020 regular meeting, the Board approved various additional modifications to the RFP award, including a bifurcation of the Kamake`e Vista Residential and Commercial Apartments into separately financed acquisitions to close on each concurrently. The Kamake`e Vista sales price was increased from \$29.5 million to \$35 million, with \$29.5 million allocated to the Residential Apartment and \$5.5 million allocated to the Commercial Apartment. The Board also approved a new, \$4.25 million DURF permanent loan to facilitate Komohale’s acquisition of the Commercial Apartment.

The Kamake`e Vista transaction is expected to close on November 5, 2020. The estimated net sales proceeds of approximately \$21 million will be deposited into the Dwelling Unit Revolving Fund.
